

REMARKS

Claims 1-26 are pending. The enclosed continuation application has been amended to add a reference under the title to the parent utility patent application. Also, the claims of the parent have been replaced by new claims 1-26. The three last paragraphs of the summary have been added to reflect the three new independent claims.

New claims 1-3, 5-10, 14 and 20-22 are supported by the specification, for example, at page 24, line 11 to page 25, line 24. New claim 4 is supported by the specification, for example, at page 28, lines 3-11. New claim 11 is supported by the specification, for example, at page 15, lines 26-29. New claim 12 is supported by the specification, for example, at page 28, lines 29-31. New claim 13 is supported by the specification, for example, at page 13, lines 21-23. New claim 15 is supported by the specification, for example, at page 16, lines 14-18 and page 24, line 11 to page 25, line 24. New claims 16, 17, 19 and 24 are supported by the specification, for example, at page 33, lines 11-31. New claim 18 is supported by the specification, for example, at page 24, lines 29-30. New claim 23 is supported by the specification, for example, at page 20, lines 2-5 and page 33, lines 17-31. No new matter is introduced by the new claims.

In view of the foregoing, it is submitted that this application is in condition for allowance. Favorable consideration and prompt allowance of the application are respectfully requested.

The Examiner is invited to telephone the undersigned if the Examiner believes it would be useful to advance prosecution.

Respectfully submitted,
